PROFESSIONAL SUMMARY

I bring 2+ years' expertise in creating responsive web apps, collaborating with UX/UI and back-end teams for aligned technical solutions. I prioritize quality, rigorously testing and resolving front-end issues to optimize user interfaces.

EXPERIENCE

Frontend Developer, SOLable India (Dec 2023 - Present)

Enhanced website with responsive, visually appealing pages. Managed complex state for optimal performance, developed reusable components, and engaged in constructive code reviews.

Associate Software Engineer || Capgemini (May 2022 - Nov 2023)

Implemented mobile-first design, developed responsive React web apps, integrated RESTful APIs, and contributed to Agile practices in daily stand-ups.

PROJECTS

Task Management System || Client - RBS

- **Technologies** - - ReactJS, HTML5, CSS3, Bootstrap 5, JavaScript, NextJS, SQL Server, Selenium Java, BDD/ Cucumber.
- Designed and implemented a robust project task management system enabling seamless collaboration among team members.
- Features included task creation, assignment, tracking, and management.
- Utilized cutting-edge frontend technologies to ensure an intuitive user interface and responsive design.

ShopEASY || Client - SNITCH

- **Technologies** - ReactJS, HTML5, CSS3, Bootstrap 5, JavaScript, Firebase Deployment, SQL Server
- Developed a responsive eCommerce web application using React.js, ensuring cross-browser compatibility and mobile responsiveness.
- Implemented Redux for efficient state management and RESTful API integration for product data and user authentication.
- Collaborated with backend team for seamless API integration, conducted user testing, and debugging to ensure smooth functionality.

SKILLS

- **Languages --- HTML5, CSS3, JavaScript, TypeScript**
- **Frontend -- ReactJS, NextJS, Redux, Bootstrap, Tailwind CSS, SAAS**
- **Concepts --- Agile Methodlogy, Performance Optimization, Version Control, Debugging and Testing**
- **DataBase --- SQL, MS SQL, Firebase**
- **Tools --- Git, PostMan, Eclipse, TestNG, Selenium, JUnit, Automation Testing, Selenium WebDeiver**

CERTIFICATION

- **FRONTEND REACT DEVELOPER (AUROSKILL TECH),**
- **JAVA FULL STACK DEVELOPER - (CAPGEMINI)**

EDUCATION

B Tech || E&I || 7.4 CGPA || **Samrat Ashok Technological Institute   (2017 -2021)**
